THE LASER Beautique®

MODULE 9

The Perks of Working at TLB

9. THE PERKS OF WORKING AT TLB

Birthday Leave

On top of your 18 days of paid leave, you get a free day of Birthday Leave. This day can be taken any time during the month of your birthday, as long as you clear it with your manager at least 1 week in advance. Because you deserve to be celebrated!

Pension Fund

Once you have become a permanent employee at TLB, you will be added to the pension fund with Momentum. TLB will contribute 50% of your monthly contributions to the fund, allowing you the peace of mind about your future.

Products at Cost Price

We also allow you to purchase Scientific Skincare, pH Formula, and Heliocare at cost price, making radiant skin that much easier.

18 Days Paid Leave

Instead of the normal 15 days paid leave, The Laser Beautique offers you 18 days of paid leave in a 12 month cycle

Continuous Training

The advancement of your career and skills is important to us, that's why we offer you continuous in-house training for Laser Hair Removal, Skin Treatments, and Apilus Electrolysis. If you are at a branch that offers pH Formula, we also send you for pH Formula Training, from Skin Specialist, all the way to Artologist Level,
